

How to create a registration at bostadvasteras.se

1. Go to the following link to register as an applicant:

<https://minasidor.bostadvasteras.se/mina-sidor/registrering-sokande>

The screenshot shows the 'Register applicant' page on the bostadvasteras.se website. The page has a dark header with the logo and navigation links. The main content area is white and contains a registration form. The form has a title 'Register applicant' and a subtitle 'Month Date'. The form fields are: 'Fill in your Swedish social security number.' with a text input field containing '19831013AMWY' and a green checkmark; 'Swedish social security number' with a text input field; and 'No swedish legal id? Write your birthdate on format YYYYMMDD above and click [here](#)' with a text input field. A 'REGISTER' button is located at the bottom right of the form. Annotations with arrows point to the first three digits of the social security number ('1983') labeled 'Year', the next two digits ('10') labeled 'Month', and the next two digits ('13') labeled 'Date'. Below the form, there is a note: 'Click here after entering the year, month and date you are born - if you don't have Swedish legal ID' with an arrow pointing to the 'here' link in the form.

2. Enter your date of birth.

Start with the year (four digits), followed by month and day of birth. After entering your date of birth, click on **“No Swedish legal ID?”** below the field. You will then receive four letters to complete the personal number field.

3. Fill in all required information in step 2 of the registration process.

4. In step 3, select the housing areas you are interested in. Please be as specific as possible when making your selections (see example below).
